He states that he met Jack Ruby at the Club and knew him because he was handing out cards to the Carrosel Club, Merrisk states that he took a card but that he never had tame to go visit the club. Merrick also states that he is so busy that he don't have time to read the news papers or watch TV or listen to the radio. Merrick says that on one occasion there was a man with Jack Ruby and he thinks Jack introduced him as Oswald but would not be positive. However MAN he says when he saw a picture of Oswald in the paper that he remarked to some one that I think I have met that man some where but could not remember for some time just where it was. He later recalls that it was the man Jack IN introduced him too. When asked who else was there and could verify this or might remember him, Merrick could not remember any one that saw this man with Jack.

We also KAK talked with the manager and assistant manager of the Club they also stated they remembered Jack Ruby because of the cards that he was always passing out. They did not think that it was the proper place for him to do that, As they have a high class clientel. The assistant manager says that Jack also told him that if he ever wanted fixed up that he would fix him up with this "Jata Jata" He told him that he was not interested and besides his wife was standing close by.

don't think he is as busy as he says he is, for another he and a friend of his is putting in a joint some where here that he wants to keep real hush hush A lounge I believe.
